SOFTWARE	Update *	PC	Site ¹	Corporate ²
Compliance Calendar (Excel)	<input type="checkbox"/> 20%	-	<input type="checkbox"/> \$299	<input type="checkbox"/> \$1,995
The compliance calendar provides a pre-completed list of requirements for reports, inspections, training, fire prevention plan, safety committee, conformance schedule, program assessments, and more! Our form allows you to edit the list, and the frequency, deadlines, schedules and responsible parties, all within Microsoft Excel, so you can customize at will. Includes the OSHA Regulatory Inventory.				
OSHA Regulatory Inventory (29 CFR 1904 and 1910)	<input type="checkbox"/> 20%	-	<input type="checkbox"/> \$99	-
STAR's Excel Spreadsheet pre-lists applicable regulatory programs that require training, or written programs or documents. OSHA 29 CFR 1904 and 1910 Subparts and Sections are listed. Chose which one's apply, and compare to the training and inspections you perform, to verify conformance. (Site license only).				
Health and Safety Scorecard (Excel)	<input type="checkbox"/> 20%	-	<input type="checkbox"/> \$99	<input type="checkbox"/> \$499
A customized excel identifies 10 leading metric elements for department and site level accountability. Each element has multiple metric capability, helping you create a balance to your H&S scorecard providing options for your key performance indicators (KPIs).				
Risk Assessment (Excel)	<input type="checkbox"/> 20%	-	<input type="checkbox"/> \$295	<input type="checkbox"/> \$1,995
Designed to comply with ISO 31010, Risk Assessment, our tool uses a 4 X 5 matrix as found in ANSI Z10. Separate worksheets integrate the risk matrix with department inventories of job tasks and activities and hazard categories to calculate initial risk. The hierarchy of control categories are then used to calculate risk reduction for residual risks.				

¹Additional site licenses are available at a 50% discount.

²Corporate license applies to unlimited users of the registered company.

License Agreement: NOTE!!!! READ THIS AGREEMENT BEFORE ORDERING!!!!

You should carefully read the following terms and conditions before purchasing STAR Work Products. Purchasing STAR Work Products indicates your acceptance of these terms and conditions. If you do not agree with them, do not order these products.

By opening the package for the STAR Work Products (Materials), you acknowledge that you have received and read this License Agreement (the "Agreement"), and that you agree to be bound by it. The Authorized Representative is the party responsible for any communication to STAR about the use of these Materials. You can change the Authorized Representative at any time by contacting STAR. The change is not effective until it is accepted by STAR.

LICENSE. STAR hereby grants to you, the original purchaser, a paid-up, nontransferable (except as specified below), nonexclusive license (the "License") to use the enclosed Materials subject to this Agreement.

PC license: You may use one copy of the Materials at one single site and location.

Single Site: You may use one copy of the Materials at one single site physical location.

Corporate License: Corporate license applies to unlimited users of the registered company.

COPIES. You may not copy or duplicate the Materials, except as necessary solely for archival purposes, program error verification, or to replace defective storage media, or per your license agreement. You agree to retain the Materials and all such copies in your possession.

RESTRICTIONS; TRANSFER. Except as permitted by this paragraph, you may not sublicense, lease, rent or lend, or distribute the Materials or any lawful copies thereof or otherwise transfer any of your rights under this Agreement. You may transfer the Materials (together with all back-up copies you have made) on a permanent basis to a third party so long as you retain no copies and the transferee agrees to be bound by the terms of the Agreement.

TERM. The License is effective until terminated. You may terminate the License at any time by destroying the Materials. The License is automatically terminated if you violate any portion of this Agreement. You agree upon any such termination to destroy the Materials together with all copies. Upon termination, there will be no refund or any monies paid by you. Termination of this License shall be in addition to and not in lieu of any other remedies available to STAR.

LICENSE REGISTRATION. THE NAME, ADDRESS, COMPANY AND TELEPHONE NUMBER OF AUTHORIZED REPRESENTATIVE AND SITE is as stated on the Order Form.

COPYRIGHT PROTECTION. The Materials is protected by U.S. Copyright Law, by STAR Consultants, STAR Software and Paul A. Esposito. **Any use of the Materials, except as expressly permitted in this license agreement, may subject you to civil damages and attorneys' fees, and may be a serious crime.**

LIMITED WARRANTY AND DISCLAIMER OF WARRANTY. The Materials are provided "as is" without warranty of any kind, either express or implied, including warranties of merchantability or fitness for any particular purpose or any other statutory or common law warranties. No warranty is made regarding the performance of the Materials or the results that may be obtained by using the Materials. The entire risk as the installation, use, quality, and performance of the Materials is with you. Should the program prove defective, you (and not STAR or an authorized dealer) assume the entire cost of all necessary servicing, repair or correction. It is your responsibility to verify the results obtained from use of the Materials.

Some states do not allow the limitation or exclusion of implied warranties, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. This disclaimer of warranties and the limitation of liability below shall not be modified, diminished or affected by and no obligation or liability will arise or grow out of the rendering of technical, programming, or other advice or service of the provision of support for the Materials by STAR.

LIMITATION OF REMEDIES. In no event will STAR be liable to you for any direct, indirect, special, incidental or consequential damages (including but not limited to lost revenues, data, profits or savings) arising out of your use or inability to use the Materials and related products even if STAR has been advised of the possibility of such damages, in no event shall the liability of STAR arising from your use or inability to use the Materials exceed the fee paid by you for this license. Some above limitation or exclusion may not apply to you.

GENERAL. States that do not allow the limitation or exclusion of liability for incidental or consequential damages will inure to the benefit of STAR, its successors, and assigns and will be construed under the laws of the State of Maryland, except for that body of laws dealing with conflict of laws.
